1. The Proceedings of 27th October 1888 were circulated and passed.

2. The accounts which were checked by Mr Veerasangaiya were read and passed.

3. Read correspondence regarding Sewage Farm below the Dodsore Tank.

Resolved that the Superintendent Bangalore Jail be communicated with, adverting to his letter dated 28th April 1888 No. 21 to Sanitary Engineer requesting that the income derived from the Sewage Farm be remitted to the Board.

4. Read Docket from Sanitary Engineer No. 1965 without date, received on 19th November 1888 forwarding Plan and Estimate amounting to Rupees 23189 for constructing the Eastern Frontage of the General Market near Dufferin Fountain.

Resolved that the construction be commenced at once, the amount available from Municipal Funds amounting to about Rupees 10,000 being appropriated for the work with the remark that as the construction of a first class market in the City of

Allyssare has been a long cherished scheme of the Board, they are quite prepared to place all available funds aside for the purpose, but it is feared that this will prolong the completion of the work as the Western & Southern Stalls have also to be constructed and the present state of the Municipal funds will not permit of the construction of the whole market being put in hand at once - The Board however are prepared to do all they can, and they hope the Government will with its usual benevolence render the Board such pecuniary help as may be needed to permit of the entire market being completed as soon as possible -

Resolved that Messrs Standish & Lee be requested to invite tenders for the construction of the Eastern Frontage of the market and that he will Forthwith in communication with the President and Vice President have the work put in hand at once endeavour = ing to reduce the rates as far as pos = sible some of which in the Estimate appear to be high -

5. Resolved that a Sub Committee comprised of Messrs Amiah Pandit, Veerasangappa, Sheik Ibrahim and Dawud Khan with the Vice President form themselves into a Sub Committee and prepare a revised scheme for the levying of taxes on articles imported into Mysore.

1. The Proceedings of the 29th September 1888 were read and passed.

2. The accounts which were checked by Mr. Veerasangappa were read and passed.

3. The Board resolve that it be recorded that the drain constructed in front of Mr. Dee's house at the large outlay of Rupees 509 under the orders of the late Vice President and sanctioned subsequently by the President appears to be a work of no utility and the Board were not consulted in the matter either.

4. Resolved that the sum of Rupees 135 realized by the rent of lands in the road near the Clock Tower and Memorial Hall during the Dasara be utilized for the purchase of Iron lamp posts for the road in question.

5. Read Letter dated 12th October 1888 from Mr. C. Soob Rao requesting that the land applied for by him be sold to him.

Resolved that the matter having

been decided at the last meeting the question cannot be reopened.

6. Proposed by Mr. A. Ananda Rao that the attention of the Government be respectfully drawn to the Board's Proceedings Dated 13th October 1885, 19th January 1886 and 25th February 1886 in connection with the widening of the Sivarampet Bridge and to the fact that at the time the members were verbally guarant of the contemplate scheme to fill in the Nalla, the proposition having been put forward to the Board only in 1887, with a view to the mind of the Government being dissuaded from the idea that the work was unnecessary at the time and the outlay not properly considered.

Seconded by Mr Raghavachar

Carried.

7. Resolved that the Resolution passed on the 17 March 1888 with reference to the opening out of a Dispensary at Sivanagere be given effect to in anticipation of sanction of the Budget.

8. Resolved that the two Fire Engines produced at the Exhibition

by Messrs Baker & Co. and Hafsey & Co.
be purchased by the Board.

Sir

With reference to our conversation this morning regarding the Sewage Farm below the Dodkere, I have the honor to make the following propositions regarding it.

1st That if you will hand it over to me I will work it with prisoners (our garden there is very small, and far removed from water, the Soil — moreover is not good and consequently we are unable to grow sufficient vegetables for the supply of the prisoners.

2nd That any profit which may be realised after providing the prisoners with vegetables will be made over to the Municipality.

3rd That the sole management of the Farm rest with the Jail authorities, whose interest it will be to keep up a constant and good supply of Vegetables both native and European throughout the years. There is so much difficulty in getting European Vegetables in Mysore that I feel convinced that at the least some Rs. 30 additionalbe realised monthly from the Sewer alone, and as the up keep of the Farm would cost the Municipality nothing, this would be a clear gain to them.

In conclusion I have the honor to request that you will kindly make the necessary arrangements for transferring it over to me with alittle delay as possible (provided of course you see no objection to my proposals) as the rainy season will soon be upon us, and it is of great importance that we should prepare the garden so as to be ready.

To,

Dewan of Mysore.

Sir,

Your docket No 6267/598 dated 7th ultimo was addressed to the Vice President of the Municipal Board at Mysore, and the papers therein called for, relating to the drain in front of Mr Dee's house, have been forwarded to you by the Vice-President

2. I was not present at the Board's meeting, on the 27th October and by a mistake which I begin to fear is more habitual than I expected, the minutes of proceedings of the meeting were not sent to me. It was thus only after the appearance of the Proceedings in the Gazette, that I became acquainted with the Board's remark about the drain. Your docket above quoted was brought to my notice only on the 30th ultimo.:

3. If

If any explanation is necessary in respect of the Drain work in question, I shall feel obliged by your returning the papers and affording me an opportunity of furnishing the same.

4. Finding that some embarrassment ensues by Heads of Departments addressing the "Vice President" on municipal matters, I am thinking of requesting them to address their Communications to the "President" or to the "Dy Commissioner" of the District, the latter, perhaps, being (Except in matters of very simple routine) the more appropriate in the view that all municipalities, in the District however presided, will be under the Dy Commissioner of the District. I beg to be instructed whether this course is approved, and if approved that the same may be directed to be observed.

communication to Govt offices
and that they are signed
by the President himself
when he is at his head quarters,
the Vice President being
allowed to sign for President
while he is away from

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),— dated 22nd May 1893.

READ

Letter from the President of the Bangalore City Municipality, dated 12th May 1893, No. 269.

Owing to the order of the Government contained in Proceedings No. 11585—L. F. 128-92, dated 11th January 1893, which is understood to mean that fair copies should also be signed by me while I am at the Head Quarters, papers are often delayed and my time is unnecessarily occupied. Though the Proceedings above quoted are susceptible of the interpretation put on them and though I have, to be on the safe side, followed that interpretation, I do not believe that the Government wish me to sign fair copies Drafts of letters have always been passed by me and I shall also pass the drafts of Returns and Notifications of sanction while at the Head Quarters, and I beg that the Government may be pleased to allow me to get the Vice-President to sign fair copies of letters, Returns and Notifications whether I am present in or absent from the Head Quarters.

No. 19707-8—L. F. 327-92, DATED 22ND MAY 1893.

ORDER THEREON.—The President's suggestion is approved and sanctioned. The Vice-President should sign "For President."
